Unit 5
Session 1-6

Reflection Prompts

| What do you know? |
|---------------------------|
| |
| |
| |
| |
| |
| |
| |
| What do you want to know? |
| |
| - |
| |
| |
| |
| |
| |

| What did you learn? |
|---|
| |
| |
| |
| |
| |
| What were your methods for finding out what you want to know? |
| |
| |
| |
| |
| |
| |

| Why did you choose that project to work on? |
|--|
| |
| |
| |
| |
| How did you complete or improve the project? |
| |
| |
| |
| |
| |

| What wo | ould you do i | if you had mo | re time? | |
|---------|---------------|-------------------|---------------------------------|---|
| | | | * & | |
| (12, 3) | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | What wo | What would you do | What would you do if you had mo | What would you do if you had more time? |

| Which advanced concept(s) did you incorporate into your project? |
|--|
| |
| |
| |
| |
| |
| |
| How did you incorporate the advanced concepts into your project? |
| |
| |
| |
| |
| |
| |

| What did you learn more about the advanced concepts you incorporated? |
|---|
| |
| |
| |
| |
| |
| |
| |
| |

| Which hardware or extension did you incorporated into your project? |
|---|
| |
| |
| |
| |
| |
| |
| |
| How did you control the physical hardware from within Scratch? |
| How did you control the physical hardware from within Scratch? |
| |
| |
| |
| |

| What was difficult? |
|----------------------|
| |
| |
| |
| |
| |
| |
| What was surprising? |
| |
| |
| |
| |
| |
| |
| |

| What challenges did you experience in creating the Scratch project? |
|---|
| |
| |
| |
| |
| |
| |
| |
| How did you overcome these challenges? |

| What was easy and/or difficult in creating your Scratch project? |
|--|
| |
| |
| |
| |
| |
| |
| |

| What was the problem? |
|---------------------------------|
| |
| |
| |
| |
| |
| |
| |
| How did you locate the problem? |
| |
| |
| |
| |
| |
| |

| How did you fix the problem? |
|------------------------------|
| |
| |
| |
| |
| |
| |
